

# Accountability

# The key to defeating Internet Crime

---

Phillip Hallam-Baker

Principal Scientist  
VeriSign Inc.

If cars were like  
computers...

...but

Cars are not designed for  
speed, cost or mpg.

# Cars

Safety

Reliability

Luxury

The luxury computer has  
not yet been made

# Computers

Pig to use

Break every hour

Steal your life savings

But luxury is not impossible

Making driving safe

# Accountability

How do we use  
Accountability to stop  
Internet Crime?

# Professional Internet Crime

# Phishing
